

2012-2013 APPLICATION - FULL VOTING MEMBERSHIP

BCAPOP is a non-profit society made up of Pregnancy Outreach Programs (POPs) from across B.C. POPs provide perinatal and early parenting support to women and their families who experience health or lifestyle challenges during pregnancy, birth and the transition to parenting. The BCAPOP supports POPs in their work to enhance maternal and infant health for the long-term benefit of our communities.

Our Mission - "BCAPOP is a leader in pregnancy and post partum support in B.C."

Definition of "outreach":

Pregnancy Outreach Programs were designed to "meet" the client in an environment that would be comfortable and accessible for providing preventive and early intervention services. An important part of this strategy has been the ability to provide home visits or off-site visits when this is the most effective way of connecting with the client.

SOURCE: BCAPOP Position Statement - Outreach Services in Pregnancy Outreach Programs.

Full Voting Membership is open to any Pregnancy Outreach Program that provides services, at no, cost to perinatal families who face challenges.

Full Voting Membership Fee = \$200.00
